

THE PARISH CHURCH of ST. MARY, REDBOURN

COVID-19 Updated News Tuesday 24 March 2020

Following the announcement made on Monday 23 March by the Prime Minister, with understanding but great sadness, St Mary's is now closed until further notice.

I will continue to pray Morning Prayer and Evening Prayer at 9.30 am and 5.00 pm Monday to Friday but now from home. If you would like to join in with this in your own home at the same time, please download the app called 'Daily Prayer' or go to <https://www.churchofengland.org/prayer-and-worship/join-us-service-daily-prayer>

If you need help or pastoral support please contact the Vicar, Revd Will Gibbs: 01582 791 669 or will@stmarysredbourn.org

Please check the church website as we will update this regularly with church news and information: www.stmarysredbourn.org

We will be providing a live streamed service each Sunday and possibly at other times via our website – please check for details.

Please pray for your neighbours and our village at this time, remembering especially those who are elderly, frightened or ill.
